What's MUN?

MUN (Model United Nations) is an educational simulation that fosters critical thinking, diplomacy, and leadership skills among students.

MUN encourages participants to speak confidently, present their ideas persuasively. It exposes students to pressing global issues, helping them become more informed and socially responsible individuals. MUN is a collaborative endeavor, promoting teamwork and cooperation.

Your Roles in the Club

1. Take on leadership roles within specific MUN committees.
2. Be responsible for organizing and managing MUN Society events, outreach, and promotions.
3. Help plan and execute major events, workshops, and delegate training sessions.
4. Develop skills in team management, event coordination, and strategic decision-making.
5. Recommended for students who have been part of MUNs or similar societies, or those with experience in organizing events.

ABOUT US

The RNSIT Model United Nations Society, established in 2023, serves as the RNSIT's premier platform dedicated to promoting critical thinking, public speaking, and intellectual engagement. In a short span of time, the Society has emerged as the fastest-growing student organization within the Institution, gaining recognition for its vibrant community and impactful initiatives. Moreover, the Society has also formed collaborations with esteemed organizations such as KLE Law College MUNSoc, while societies like PES Electronic City MUNSoc and Dayananda Sagar University MUNSoc have acknowledged our growing presence in the MUN circuit.

OUR MISSION

Comprising a dedicated core committee of 12 members and a thriving community of 180 enthusiasts, the Society is committed to its mission of cultivating confidence, enhancing public speaking abilities, developing global awareness, negotiation skills, eloquence and poise.

OUR MILESTONES

Nexus 2024 : In May 2024, we hosted our flagship MUN event, Nexus 2024 bringing together young minds to deliberate upon an important global issue in a collaborative yet competitive environment.

Atlas 2024 : Additionally, in October 2024 we hosted Atlas 2024—a geopolitical inter-college quiz competition that attracted 170 participants.

From hosting MUNs to organizing quizzes and building an enthusiastic community, we continue to expand our horizons, striving to create an environment where every member can grow, learn, and contribute meaningfully.
